

Jesus Heals Ten
Diseased Men
Luke 17:11-19

Remember to Say "Thanks!"

Jesus was on his way to Jerusalem when he met ten men who all had a harmful skin disease. The men called to him, "Jesus! Master! Please help us!"

Jesus sent the men to go show themselves to the priests and while they were on their way, they discovered that they had all been healed.

Everyone had something to say then. Use the code to decipher the messages of the ten men, and of Jesus.
