FORGIVENESS

Learning Forgiveness

by Brenda Huante

It isn't always easy to forgive. Jesus always forgave others, and we should try to be like him. To find a message from Ephesians 4:32 that can help us forgive, cross out all the following words: words that are animals • words that are flowers • words beginning with "D" • the names of bugs or insects.

The remaining words will reveal God's instructions for us. Circle those words. For an extra challenge, see if you can memorize them.
