MAKING WISE DECISIONS

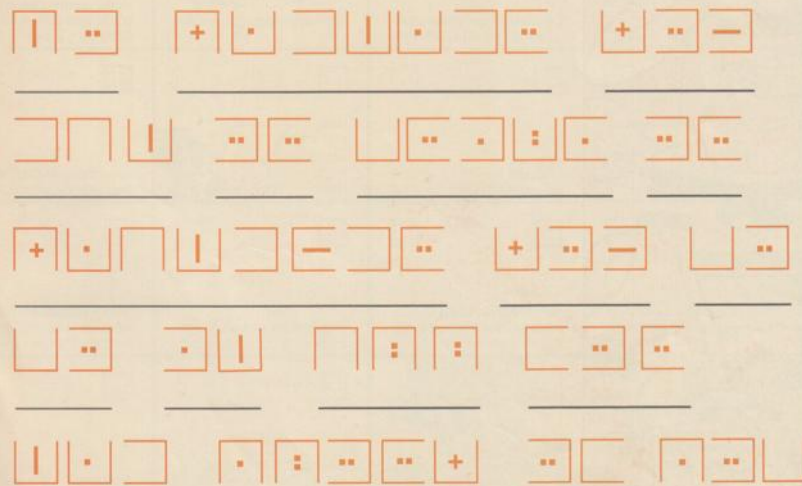

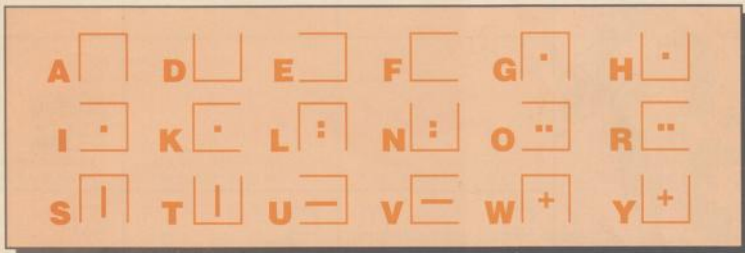

THE RIGHT WAY

by William Schlegl

If you want to travel from one city to another, there are probably several roads you could take. Any of them would take you from where you are to where you want

to be. We sometimes think it doesn't matter how we behave or what we do, because God loves all people. It is true that God loves all people, but God doesn't love all of our actions and behavior. Use the code below to discover a way to live that is pleasing to God.

1 Corinthians 10:31

Prayer: Loving Lord, every day i have many decisions to make. Some of those are little decisions but some of them are really big decisions. Thank you for people I can talk to when I have hard decisions to make. Thank you for always listening to me and guiding me and for loving me even when I make the wrong decisions. **Amen.**
