

Spending time outside in nature with your friends is a good way to enjoy God's Creation.

What's Different?

The pictures below look alike, but there are at least 30 differences. How many can you find?

USING TIME WISELY

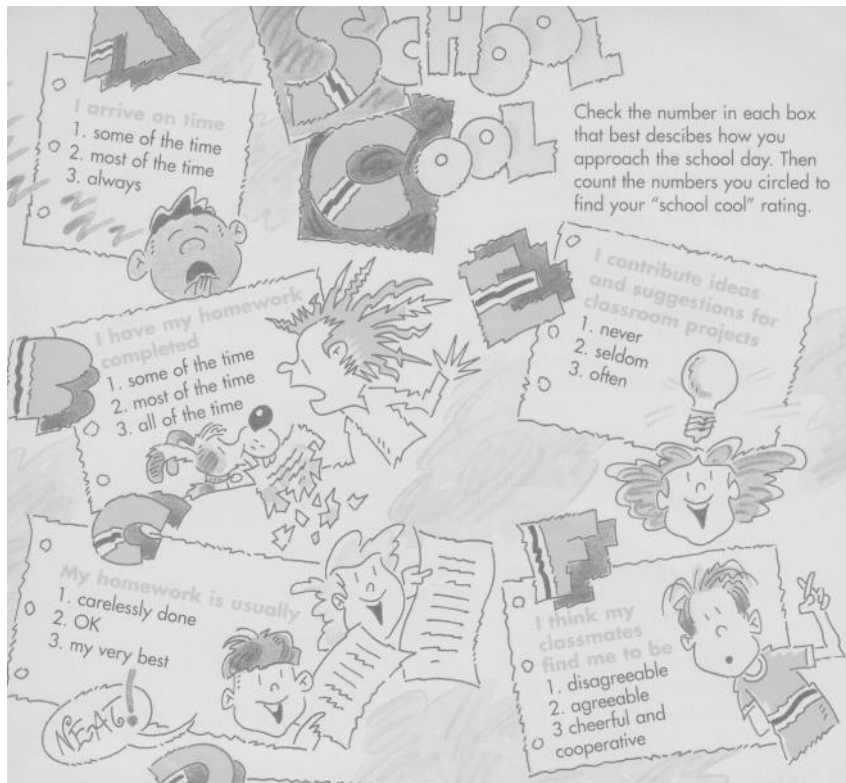

FINDING TIME FOR JESUS

by Laura Ries

There are many things to do during a day. But if you're too busy, you may not remember to spend time with Jesus, talking with him and learning about him and God. Find your way through all of the activities to have some quiet time of prayer and Bible study with Jesus.

How do you spend your time in school?

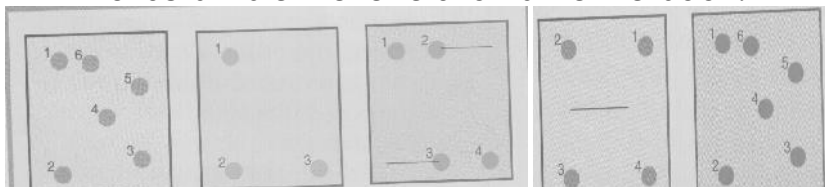

Look at your answers and count the 3s.

If you got 4 or 5 threes you spend your time wisely.

If you got 2 or 3 threes you need to improve a little.

If you got 0-1 three pray and ask God to help you do better.

Spend time reading this book. Join the dots and unscramble the letters to name the book.
