Put a smiley face on the pictures that show how you would like to be treated by other people. Remember to treat others in the same way!

Think of something that you can share with a friend tomorrow. Draw a picture of it inside the gift box below. Decorate the gift sack, too.

SERVICE

Jesus wants us to:

When we serve others we are following Jesus.

Helping Others

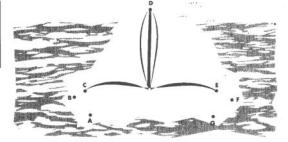

Jesus taught us to help others. We can see over and over again where Jesus helped people: He healed the sick, He made the blind see, He made the lame walk, He helped fisherman when they could not find fish, He fed people when they were hungry.

Jesus wants us to help people, too. He wants us to treat people nicely and fairly. He wants us to be a $\cdot\cdot$ good friend to someone who needs a friend.

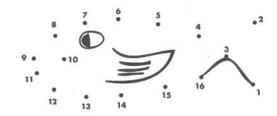

We have been taught, "Jesus went about doing good." He wants us to do good, too.

Connect the letters to show where Jesus and His friends were.

Connect the numbers to show what they caught.

Use the code to show how to be like Jesus.

Helping Others

Beside each statement, write the name of someone who sometimes helps us. Place a check mark beside each of the helping things you have done

	explained a math problem did laundry
ec. N	took out the trash
	gave a gift
	helped a hurt animal
	shared a lunch
具侧人分	prepared a meal
R. C.	made a kind remark
	hugged someone who was crying
	helped someone learn a new game
	put gasoline in a car

Circle one helping deed you will do this week.
