For those who are familiar with it, “Pathfinding” conjures up images of marching, camping, curious hobbies, bugs and bats. Enlarging their windows on the world and building a relationship with God are the dual objectives of this club, which is designed for children ages 10-15. With nearly 2 million members around the world, this Seventh-day Adventist Church-sponsored club accepts any youth who promises to abide by the Pathfinder Pledge and Law regardless of their church affiliation.
