We must obey the Law of God.

The law of God tells us about His love for us and teaches us how to be good friends with Him, with our family, and with other people. Draw a line between each commandment and the individuals with whom you can have a good relationship when you keep that commandment.

GOD

You shall have no other gods before Me.

Honor your father and your mother.

You shall not murder.

You shall not misuse the name of the Lord your God.

You shall not commit adultery.

You shall not covet your neighbor's house.

You shall not make for yourself any idols.

You shall not steal.

You shall not give false testimony against your neighbor.

Remember the Sabbath day by keeping it holy.
