

PRAYER REQUESTS

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. (James 5:16) .

The Church requests your prayers on behalf brother Ian Walker and family, sister Cheryl Berkel, Sister Rombey and other shut-in members at the White and Yellow Cross and the Red Cross nursing homes. Please pray for and extend a visit to them . Your prayers are most welcomed for the elderly in our congregation and others in other churches. Special prayers for the Students in St.Maarten and abroad and the educators that God may direct, protect and grant wisdom in all areas. We ask God's protection for our islands during this Hurricane Season. Please pray for our Pastors, church leaders and our country's leaders.

There is life in the seed

There is life in the seed, there is power in the soil; but unless an infinite power is exercised day and night, the seed will yield no returns. The showers of rain must be sent to give moisture to the thirsty fields, the sun must impart heat, electricity must be conveyed to the buried seed. The life which the Creator has implanted, He alone can call forth. Every seed grows, every plant develops, by the power of God. {Christ's Object Lessons pg. 63.2}
