MESSAGE TO THE LEADERS

Dear leaders, parents and teacher of the Children´s and Youth ministry:

Another opportunity has come to reinforce the spiritual truths of our young men, and to bring them closer to God even more through the teaching and practice of prayer.

I pray that this is an unforgettable week, one that with prayer and commitment does not become simply just another week of prayer, but one that marks the beginning of a life closer and more real. One that demolishes the disguises to be able to have the relationship that God wants to have with his children, and acceptance of his plan of grace for each one of us. Especially for each one of the little ones and adolescents.

Our loyalty to God must go beyond conformity with what seems obvious, but in deepening that relationship that allows us to be what we should be and what we profess to be, imitators of God.

Let's bring down the barriers that do not allow us to overcome temptation, that we will only achieve when we look at Christ, and only Christ, and allow him to govern our lives. Let us be truthful, worthy of being called Sons and Daughters of God, and that in doing so we will also bring joyfully to those who follow us day by day, "For such is the Kingdom of God."

He is our God and in him let us deposit all our trust and effort.

With prayer and affection,

M. Dinorah Rivera, Director
